

- I. Acknowledgment of the Territories
- II. Safer Spaces
- III. Round of Names and Space Check-in

Pride is dirty! ...not clean. Also, not as comfortable a place to hang out.

IV. Updates

--GIWI update! Committee has a new facilitator, so hopefully some progress will be made. Management still posing difficulties in conversation.

--Stickers update! They're here now! Also have a punch to make heart stickers.

--Retreat has been booked! Remember to register so that you can go!

--"Volunteer implementation meeting" -- moved (From 9:30Friday) to Monday 9:30am (June11)

--Bloc Party on Saturday @5:00pm Centennial Square

V. Caucus Policy

Possible issue was brought up around wording of "Purpose" section -- excluding such as "queer parents" caucuses. Followed by discussion of the role of caucuses within Pride collective:

We concluded: caucuses in this policy are not intended for groups like "queer cyclists" but rather for groups experiencing systemic oppression in Pride/elsewhere. The former type of group can still make groups/meetings through Pride but a specific policy isn't felt necessary for that.

Fixed some grammatical errors.

Amended Purpose of policy.

VI. Initiative for resources for trans women/feminine-identified trans/ gender queer folk

Pride lacks resources for the above groups in our binder program, so let's try to figure out what to add!

Conclude: make a survey! Katie volunteers to make survey.

Discussed what kinds of questions to ask -- some more research will be done.

VII. Vic Pride!

How to decorate our truck for the parade?

-- will decide on a theme at next "Events & Activism" meeting, next Friday, June 15.

Suggestions: merpeople, political queers, superheroes, 90s heartthrobs, assimilation parody, anti-capitalist ass-pirates, queer resistance (all the themes & pamphlets)

VIII. Gender Inclusive Washroom Initiative Coalition Logo

We got a response to our call-out, do we want to ask them to design us a logo? Maybe not, price quoted was expensive, could we extend deadline?

9. Pride sponsoring a Queer tango class in the sub sometime in June or during Pride week

People from "Queer Tango" asked us to book a room on campus for them during Pride week! It is a free event, but the proceeds from their other events go toward [Lekwungen community groups?]. Would we be willing to donate toward food being purchased for the event, or to provide bus tix? ...
Yes!

Conclude: pledge 200\$ donation & 2 sheets of bus tix.

10. Grad Student Society Rep position on advocacy council

Should the position involve being a voting member or not? ...sounds like not.

12. Other

-\$1/hr top-up of work-study wage (which were recently increased to 11\$/hr) ... to attract applicants "of a higher calibre" caliber? calibre. Passed.

13. Other other

-letter to the exec: Should we send one? Yes, but how to word it?

To be discussed at a Pride meeting Next Thursday (June 14) at 3:00pm
