4. **Announcements**

- 1.) Queer/Trans Salsa is happening tomorrow!
 - 2.) Crafternoon is happening this Saturday Dec 6th!
 - 3.) Youth Outreach Committee is meeting this Thursday!
-

5. **Fear this Queer Discussion**

- Requesting support in terms with bus tickets.

DISCUSSION

- Problems with some of the projects some of the collaborators have done in the past.
- Are they producing the zine themselves? I think it's mostly submission based.
- Is there going to be any public association with us in the zine? Not sure I want that. Can we ask them to not acknowledge our support?
- Encourage them to seek support elsewhere for now? We're tied with bus tickets and they were donated from VIPIRG for a specific reason? Does this fit?

ACTION/MOTION/DECISION

- Request that we be a silent partner (not publicly acknowledge our donations)
 - Tell them we will support them as a last resort - encourage to seek support from other organizations too.
-

5. **Book Club Book Discussion**

- We bought a few books for the book club and it was expensive. We can't continue to buy books for the bookclub this way. We also bought 5 copies of the same book - what will we do with them?

DISCUSSION

- Yeah this isn't sustainable to keep buying books this way.

- Maybe we should donate the books after? To the library? Or to the people? Or to other libraries?

ACTION/MOTION/DECISION

- Donate them after! We will keep two copies and then donate the rest.
-

6. Facts of Life App

- There is an app released by a UVic professor that helps parents have “the talk” with their children. This app has many problems with it that have been pointed out by several collective members.

DISCUSSION

- Haven't seen the app personally so can't comment.
- Maybe we can allow everybody time to take a look at the app and then reconvene?
- Maybe set up a working group for folks who are interested in talking about the problems of the app and taking action?

ACTION/MOTION/DECISION

- Working group to talk about and come back at the next collective meeting.
