1. Practicum Student

- Practicum student from college in Halifax requesting for placement with UVic Pride. He is also placed with the queer, trans, allied youth drop-in program at Saanich Commonwealth Rec Centre (main placement), as well as with AVI. We are the third placement request. Very informal. No contract/paperwork/administration required. We just need to sign off on his timesheets (which he provides from him college).

DISCUSSION

- Free work
- We could use the help
- At least provide an appreciation gift
- Doesn't strain our resources

ACTION/MOTION/DECISION

- Consensus. Approve having this practicum student.
